**User Registration Security Code: eromde3147**

*It is important that each user have their own log in details, (i.e. email address and password) for tracking of lesson completion. Please do not share your log in details with anyone else.*

Step 1. In the New User Registration section in the centre of the page, enter your email address in the Email Address field.

Step 2. Copy and paste the security code above into the security code field then click Submit.

Step 3. On the User Email Address Confirmation screen, re-enter your email address then click Confirm.

Step 4. On the New User Registration screen, enter your details including a personal password, then click Next.

Step 5. Enter remaining details, then click Register.

Step 6. In the Existing User Login section, enter your email address and personal password to login.

To login again next time, repeat step 6 only.

**Please complete the [Resus4Kids](#) module.**
